GUIDANCE FOR GUESTS

- Please book on time - with the organiser not the restaurant.
- If you have to cancel give the organiser as much notice as possible. No-shows without cancellation are not refunded.
- Make all cheques payable to the Supper Club.
- If paying on the night take a cheque book or plenty of change.
- The organiser is not expected to arrange transport.
- Please arrive on time.
- If the organiser has chosen that people pay individually, keep an ACCURATE account of your bill including extras and service charge / tip.
- Let the organiser deal with the staff.
- Please don't haggle over the bill – it's an absolute killer.
- Stay until the bill has been settled.
- We all contribute to each other's enjoyment of the meal. As a rule of thumb interests and enthusiasms make good topics of conversation whereas pet hates and moans don't.
- Enjoy the meal (that's the whole point).
