Programme

March - July 2012

Greetings to all Supper Club members!

Spring is sprung - well not quite yet, but hopefully it's just around the corner! Time to get out and about and meet up with Supper Club members old and new at some of the events below.

It's a long list this time, reaching right into Summer. We are taking note of economic conditions and including a wider variety of venues to suit all pockets, pinched and otherwise. And for a home-based special event in July, committee member Chris is opening up her lovely big garden at Vine Cottage for her [Garden Party and Barbecue](#) held for members from the many groups she supports. May the sun shine!

For something completely different, the City of Bristol catering students will do you proud at the [Gourmet Dinner event](#) hosted by Simon in May. Richard and I (seasoned Supper Club gourmets) can vouch for it.

If you're hesitating to venture alone to your first 'taster' event or indeed if you've been a member for ages but haven't tried an event recently, **bring a friend with you!** The friend is under no obligation to join but will be warmly welcomed.

A warm welcome to **new members** Gill Beardsley (Redland), Julie Henderson (Henleaze), Mo Lorang-Roberton (Langford), Marjorie McCartney (Horfield) and Patti Urani (Redland). We hope you enjoy being in the Supper Club and look forward to many meals together.
